
Abernathy, Patrick (Refrigeration Technologies Instructor since 5/5/2025) - Mr. Albernathy has over 15 years of practical work experience as a HVAC technician and a successful HVAC business owner of 6 years.

Allen, Timothy (Welding Specialist Instructor since 4/5/2024) - Mr. Allen attended the Welding Program at Vocational Trapper Creek Job Core. Additionally he has over eight years of practical work experience in welding.

Armstrong, Mark (Refrigeration Technologies Instructor since 5/6/2025) - Mr. Armstrong earned a Electrical and Advanced Electrical certificate from APEX Technical School, Additionally he has over 7 years of Electrical experience .

Baker, Daniel (Welding Specialist Instructor since 9/9/2024) - Mr. Baker attended Arizona Automotive Institute and earned his Diploma of Combination Welding, he is NCCER certified in the following procedures SMAW 3G,4G,and 6G with/without backing.

Braden, Matthew (Welding Specialist Instructor since 4/29/2024) - Mr. Braden attended Amarillo College in Texas where he earned a Certificate in Welding and has over seven years practical work experience.

Brauss, Jennifer (Electrical Applications Instructor since 9/16/2024) - Ms. Brauss earned a Masters Degree in Management from University of Phoenix. Additionally she has several years of practical experience as an Instructor.

Buruato, Aaron (Electrical Applications Instructor since 2/3/2025) - Mr. Buruato comes as an experienced Electrician with over ten years practical work experience.

Caldwell, Guy (Refrigeration Technologies Instructor since 9/3/2011) - Mr. Caldwell comes as a highly skilled HVAC Technician. He obtained an EPA license type I,II,III and comes with over seven years practical experience.

Ceaser, Rodney (Refrigeration Technologies Instructor since 11/6/2023) - Mr. Ceaser attended Vocational Training Institute where he received a Certificate in HVAC. He has five years of practical work experience in HVAC.

Charbonneau, Donald (Electrical Applications Instructor since 6/26/2023) - Mr. Charbonneau has a BS degree in Business Administration from Columbia Southern University (H.R. Management) and is a graduate of The Refrigeration School. Additionally, he has over 15 years' practical work experience in the field.

Clements, James (Electrical Applications Instructor since 6/23/2025) - James is a highly skilled Electrician with twenty five plus years practical work experience as an Electrician, he obtained a Journeyman Electrician Certificate.

Collier, Barry (Electrical Applications Instructor since 3/10/2025) - Mr. Collier obtained an Associate of Applied Science degree at Oklahoma State University Technical branch, he comes with over five years of practical experience as an electrician.

Dahlen, Sterling (Welding Specialist Instructor since 9/18/2023) - Mr. Dahlen obtained a Combination Welding certificate from Arizona Automotive Institute. Additionally he has over five years of practical work experience in Welding.

Diaz, Dwayne (Welding Specialist Instructor since 7/22/2024) - Mr. Diaz has an Associates degree in Welding from Baton Rouge Community College. Additionally he has five years of practical work experience as a Welder.

Elizalde, Monette (AOSMME Instructor since 10/17/2022) - Ms. Elizalde graduated from the University of the Incarnate Word in San Antonio, TX where she received her PhD. Monette comes with over ten years of practical experience as a Adjunct Instructor

Everhard, Robert (Refrigeration Technologies Instructor since 9/16/2024) - Mr. Everhard received a 1 year technical certificate Automotive service Ivy Tech Community college, he comes with over five years of practical work experience in HVAC

Foster, Michael (Welding Specialist Instructor since 8/18/2025) - Mr. Foster has over ten years of practical work experience in the welding industry utilizing his skills in GTAW, GMAW, SMAW, FCAW, and SAW

Guerra, Edward (Welding Specialist Instructor since 7/14/2025) - Mr. Guerra is a graduate of The Refrigeration School, Phoenix, AZ where he earned a diploma in Electro-Mechanical Technologies, and an Associates Degree in Mechanical Maintenance Engineering. He has over five years of practical work experience.

Haynes, Raymond (Electrical Applications Instructor since 7/10/2017) - Mr. Haynes has over 26 years work experience as an electrician.

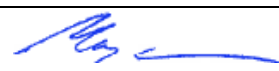

Hill, Albert (Welding Specialist Instructor since 11/30/2020) - Mr. Hill is a graduate of Job Corp Vocational Trade in Welding, he has over ten years of practical work experience in Welding showcasing his skills in SMAW, GMAW, FCAW, and GTAW

Hunt, George (Welding Specialist Instructor since 12/27/2023) - Mr. Hunt is a graduate at The Refrigeration School in Welding Technology with five years practical work experience as a Welder.

Jensen, Mario (Welding Specialist Instructor since 5/18/2020) - Mr. Jensen has an AOS Degree from High Tech Institute and has over 3 years of practical work experience as a welder.

Johnson III, James (Welding Specialist Instructor since 3/24/2025) - Mr. Johnson is a graduate of Arizona Automotive Institute Combination Welding. Mr. Johnson has over fifteen years of practical work experience

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.

Mary Kelly, President & CEO

Keown, Alex (Refrigeration Technologies Instructor since 11/12/2024) - Mr.Keown graduated from Bellingham Technical College earning a diploma in HVACR, he obtained 06A Electrical license, and 608 Universal Certification. Alex has over four years of practical work experience.

Kwakye, Joris (AOSMME Instructor since 10/31/2022) - Mr.Kwayke graduated from Morehouse College with a Bachelors of Science degree in Pure Mathematics, he has over ten years practical work experience as an Instructor.

Littlesinger, Shawn (Welding Specialist Instructor since 6/30/2025) - Mr.Littlesinger graduated from Tulsa Welding School in Welding and Fabrication.Additionally Shawn received a Certification in HVAC, he has over six years of practical work experience in Welding.

Lucio, Alan (Electrical Applications Instructor since 11/2/2015) - Mr.Lucio graduated from The Refrigeration School, he has over eight years of technical work experience.

Lynn, Maxim (Welding Specialist Instructor since 1/21/2025) - My.Lynn graduated from The Refrigeration School Welding Specialist Program, utilizing his knowledge in GTAW,SMAW,GMAW,and FCAW.

Mach, Geregory (AOSMME Instructor since 10/31/2022) - Mr.Mach graduated with a Masters Degree in Information Systems from Bellevue Univserty. Additionally he has over tebn years practical work experience as an Instructor/overseeing a team.

Mercier, Jeremy (Welding Specialist Instructor since 12/9/2024) - Mr.Mercier graduated from The Refrigeration School in Welding Program. Addioionally he obtained his welding license and has fours years of practical work experience.

Morrow, Tom (Electrical Applications Instructor since 11/26/2018) - Mr.Morrow graduated from ITT Technical Institute Electronics.Computer Engineering, he comes with over twenty years of practical work experience.

Nash, Paul (Refrigeration Technologies Instructor since 11/12/2024) - Mr.Nash has over ten plus years of practical work experience in HVAC

Oliver, William (Electrical Applications Instructor since 6/5/2017) - Mr.Oliver graduated from Universal Technical Institute, he has over forty years of technical work experience in HVAC

Orduno, Miguel (Refrigeration Technologies Instructor since 10/5/2010) - Mr.Orduno graduated from The Refrigeration School Refrigeration-Air Conditioning- Heating Technologies. Mr.Orduno has twenty fove years of practical work experience in HVAC.

Owens, Daniel (Refrigeration Technologies Instructor since 9/6/2022) - Mr.Owens graduated from The Refrigeration School Refrigeration/Electro-Mechanical Technologies Program. Additonally Mr.Owens owns his own company AZS Best Heating and Cooling. Dan has over ten years of practical work experience.

Petreska, Valentina (AOSMME Instructor since 3/6/2023) - Ms.Petreska graduted from Purdue University Calumet with a Masters of Science in Mechanical Engineering, additioanlly Ms.Petreska has over ten years or practical work experience as an Intstructor/teacher.

Phillips, John (AOSWT Instructor since 5/22/2023) - Mr.Phillips graduated from Athens State University Masters in Education, he has over twenty plus years of practical work experience looking to utilize his skills/knowledge in HVAC.

Russ, James (Electrical Applications Instructor since 8/14/2017) - Mr.Russ has over ten plus years experience in Electrical applications.

Savary, Mario (Welding Specialist Instructor since 8/5/2024) - Mr.Savary graduated from Arizona Automotive Institue Combination Welding program. Additionally Mr.Savary has over five years of practical work experience to utulize his skills in GMAW,TGAW,FCAW,SMAW.

Temple, Theodore (Refrigeration Technologies Instructor since 11/29/2021) - Mr. Temple has an Associates of Applied Sciences degree in HVAC from Rankin Technical College in St. Louis, MO. Additionally, he has twenty years of practical work experience as a HVAC-R technician.

Templeton, Leslie (Welding Specialist Instructor since 11/29/2022) - Mr. Templeton has over 8 years of practical welding experience.

Tillman, Michael (AOSMME Instructor since 6/24/2019) - Mr.Tillman graduated from The Refrigeration School Associate of Applied Science Program. Additionally Mr.Tillman has over twenty years of practical work experience in HVAC

Viriden, Gregory (AOSWT Instructor since 2/26/2024) - Mr. Viriden is a graduate of the HVAC program at RSI – Additionally, he has over 4 years as practical work experience as a HVAC technician.

Ward, Ryan (Welding Specialist Instructor since 8/19/2024) - Mr.Ward received his Welding Certificate additionally Mr.Ward has fifteen years of practical work experience in Welding.

Watt, Christopher (Electrical Applications Instructor since 9/11/2017) - He is a graduate of The Refrigeration School with over 7 years of practical work experience in the electrical field.

Willia, Brian (AOSMME Instructor since 1/9/2017) - Mr. Willia has a Bachelor of Business Administration Degree and a Master of Arts Degree, both from the University of Iowa. He has over 15 years work experience in HVAC and over 7 years work experience in electrical and mechanical maintenance.
